Volume 33

Dedication

We, the Seniors of 1974, wish to dedicate our annual to our parents and teachers, who through the years have helped us to understand and prepare for the future. They who have strived to help us achieve our goals have our deepest gratitude and appreciation and will always hold a warm place in our hearts.

Our sincere plea is that your efforts shall not have been in vain.

P.F.S

Dear Palmersville, our Alma Mater Thy praise we
sing with heart and voice. Thy gold and black
flows proudly o'er us, While in thy glory we
rejoice. So stand thy brave old trees about thee,
Strong as the branches wave in storm. So stand thy
children to defend thee, While love in every heart
beats warm.

let all men
turn to the earth

Nancy Newhall

Graduating Class of 1974, as you begin a new phase in your life, we hope for the very best for each of you. It has been our goal at Palmersville to help you to obtain the best life has to offer. We live in an age of uncertainty but also in an age of great opportunity. May each of you put your faith in God and be able to take advantage of each opportunity that knocks at your door.

Sincerely,

Carl J. McDaniel

SENIORS

Time is but the stream I go a-fishing in. I drink at it; but while I drink I see the sandy bottom and detect how shallow it is. Its thin current slides away, but eternity remains.

David Thoreau

1975
Class Wills

I, Tim Weatherford, will to Garry Wilkinson my ability to stand or even sit holding a glass and make a toast without spilling the contents.

I, Robbie Ainley, will to Deborah Ann my ability to jump ditches on motorcycles and always stay out of trouble. Hang in there Deb!

I, John Jolley, will to Terry Gifford my ability to jump fences, run through rivers, hit mailboxes, and telephone poles. Watch out Ter!

I, Sandy Davis, will one old house, four cold feet, two rinky-dinky heaters, and a frozen water pipe to Pam Griffith (Workman???) for many long years to come.

I, John Quinton, will to Glen Harris my ability to give carburators. (Private joke) Sock it to 'em Glen!!

I, Pat Sorrell, will to Carol Bruce my patience, understanding, and lucky breaks. Your day's a coming!

I, Dennis Morris, will to the Class of '75' my ability to get away with breaking the Dress Code.

I, Becky Smethwick, will to the Palmersville High School Cheerleaders: Cheryl, my height; Rene, my calmness; Deborah, my love of cheering; Pat, my package of cough drops; and Tina, my well-worn saddle oxfords. Keep on cheering, girls!

I, Kerry Harris, will to David Westbrook my worn out sneakers, my sore leg and a lot of bruised knees. Lots of Luck, David!

I, Faye Stephenson, will to the Junior Class less work and better health than I've had this year.

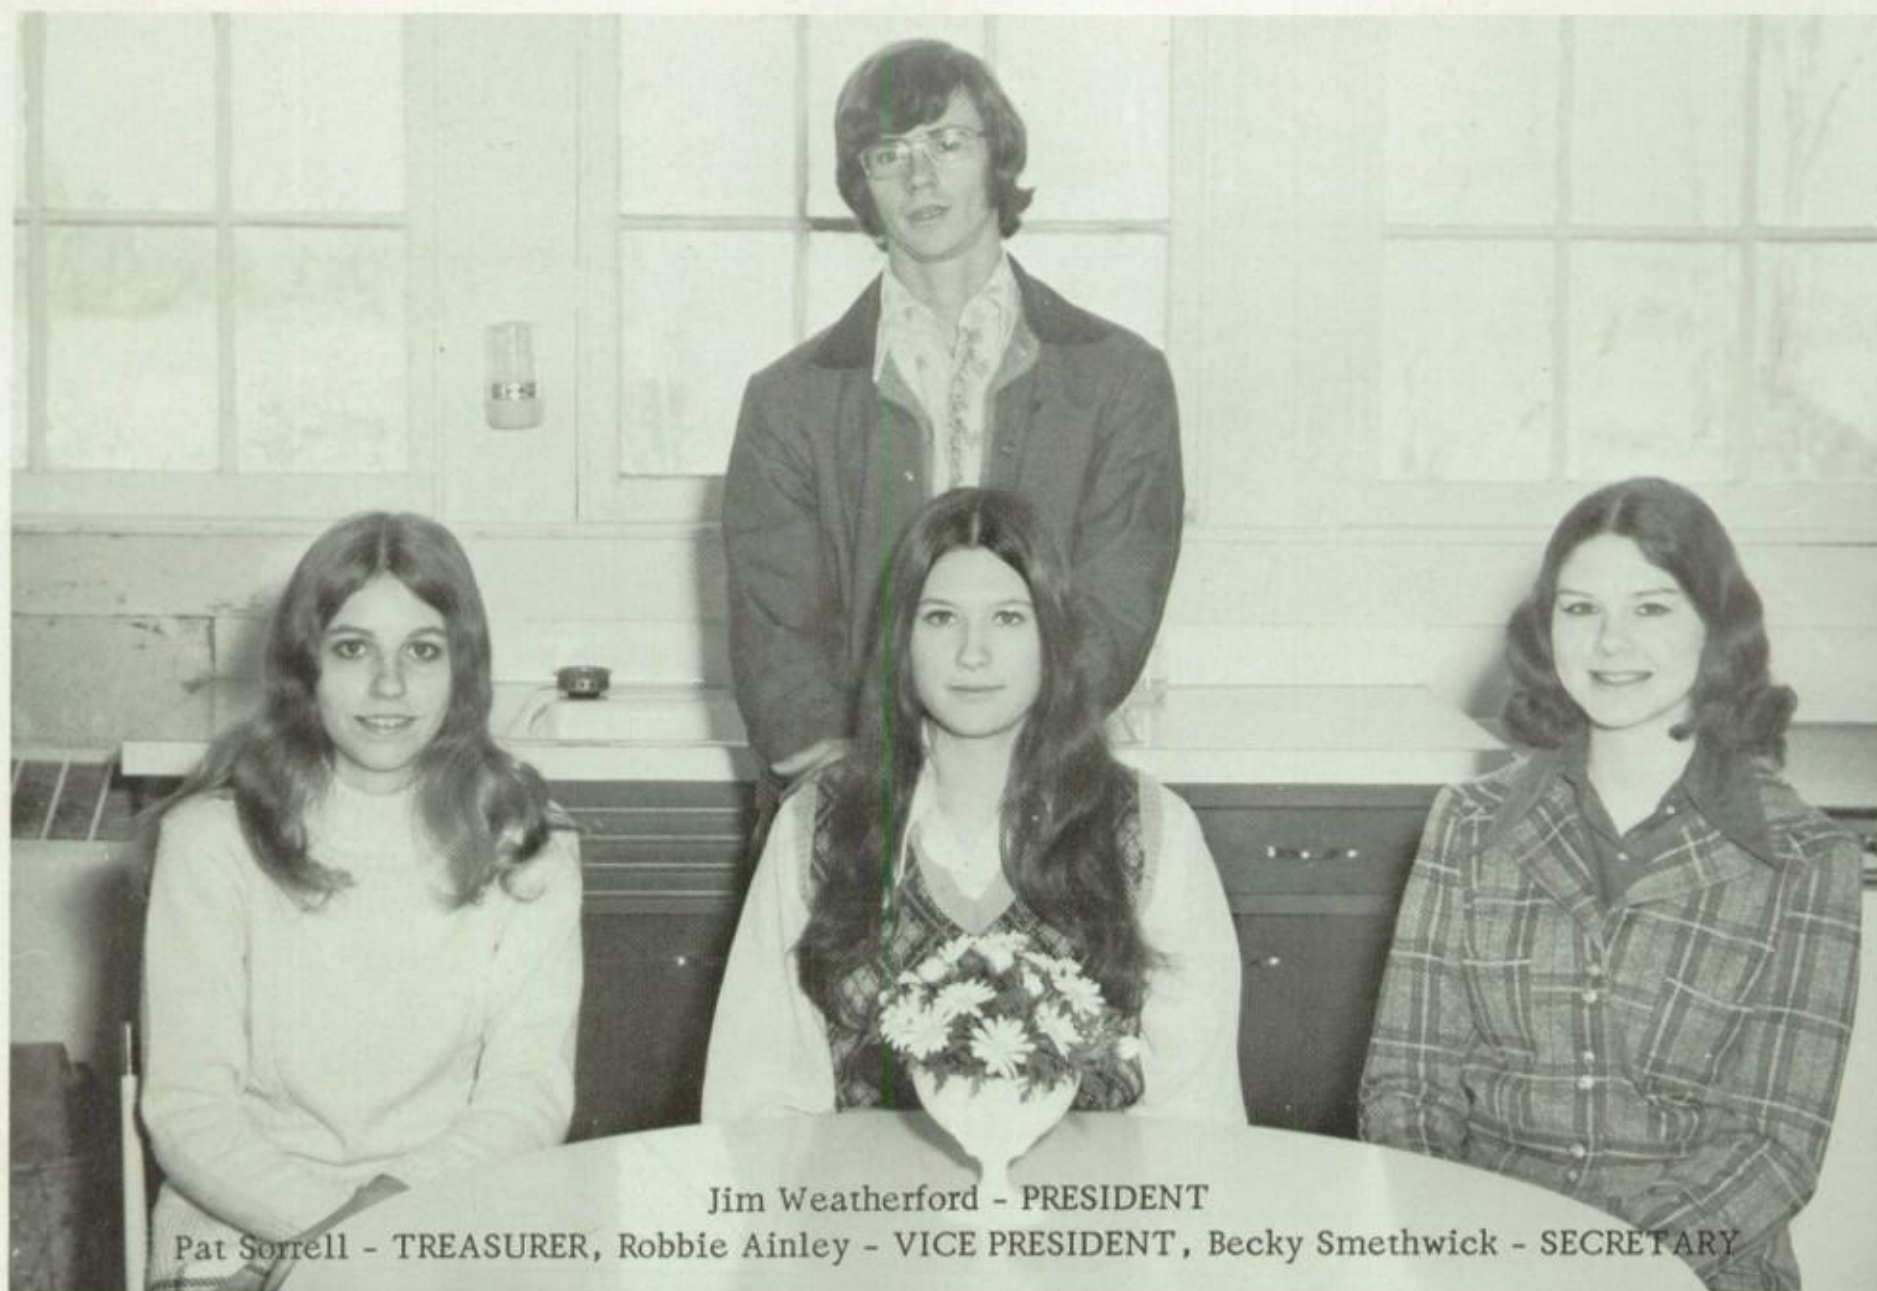

I, Billie Faye Turner, will my ability to go down town at lunch to Terry Gifford and Garry Wilkinson without getting caught. Go get 'em boys!

Mr. and Miss Senior

I have enjoyed being your sponsor your senior year. I hope you will continue your education when you leave high school for there is a demand for prepared people.

You have made a good beginning by coming this far in your educational pursuit and we, your teachers, your parents, and friends are counting on you for a great contribution to our society.

I leave you this challenge, always be true to yourself and never be satisfied to be second best unless you have expanded all of your efforts.

Wishing for you the best of everything.

Your Sponsor,

Buran Austin

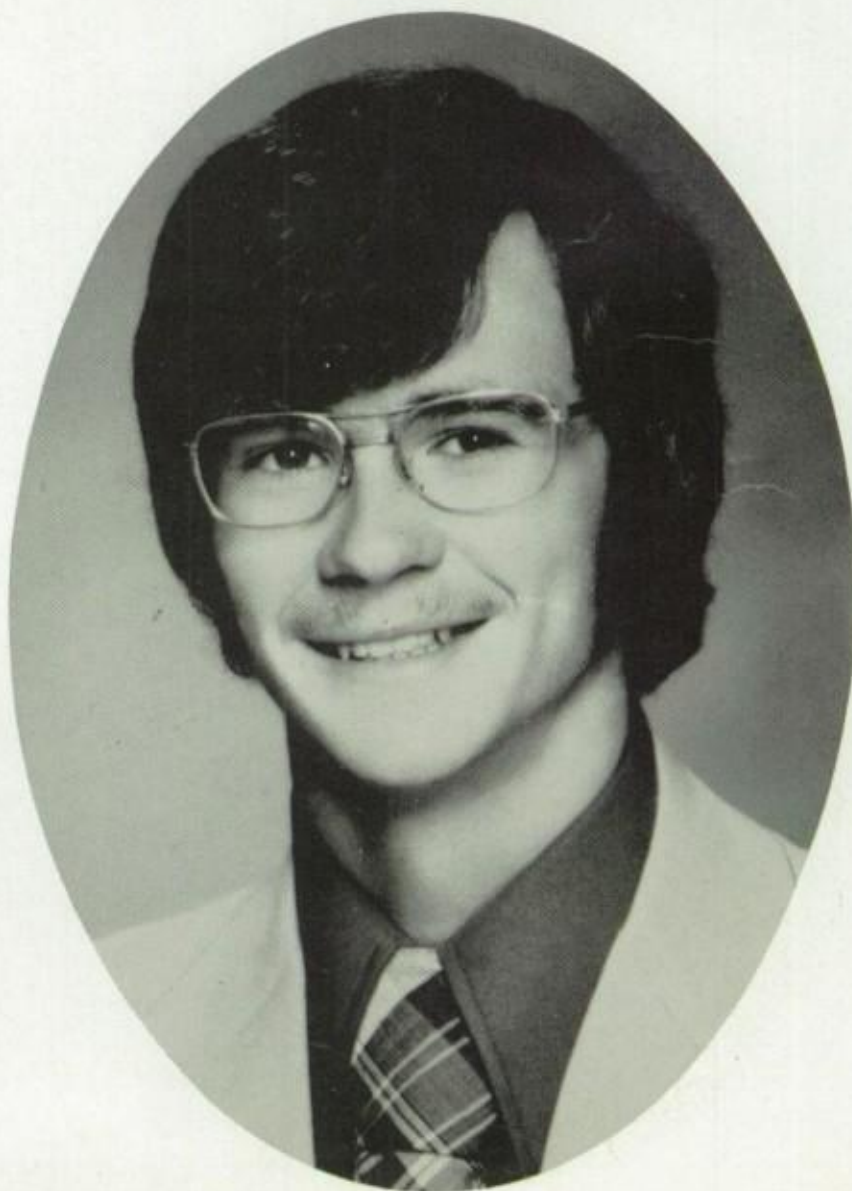

Buran Austin

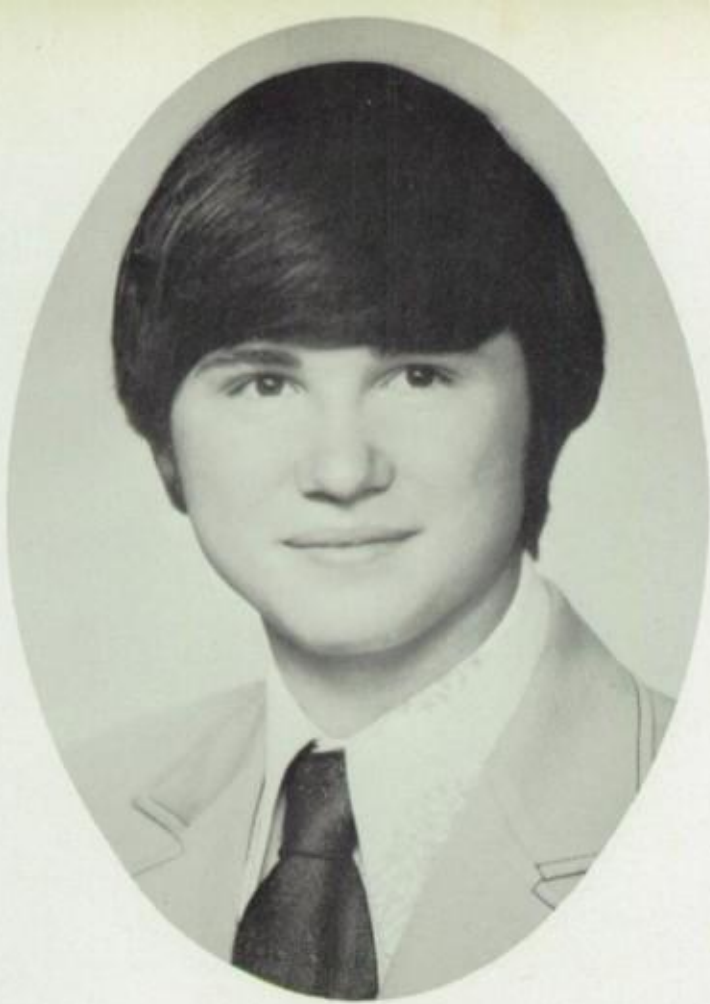

We the Senior Class would like to express to all of our parents, teachers, friends, and fellow students our sincere gratitude. Without your guidance the dream of graduation would not be a reality. We accept the challenge set before us with pride and humility.

Sincerely,

Tim Weatherford

SOPHOMORES

Every part of nature teaches that the passing away of one life is the making room for another. The oak dies down to the ground, leaving within its rind a rich virgin mould, which will impart a vigorous life to an infant forest.
